RE: Letter of Support for "1000 Local Jobs" - IPA

Dear Rabieh

MEGT Apprenticeship Centre are pleased to support IPA's "**1000 Local Jobs**" program aimed at assisting job seekers re entering the work force throughout the Ipswich / Logan region.

MEGT Apprenticeship centres will work closely with IPA and all program partners in providing Australian Apprenticeship Services and information relevant to the program needs. We are aware of the benefits that this program can bring to those who participate. In addition MEGT Apprenticeship Centres are willing to refer employer clients to this program where applicable and when ever possible.

It is evident to us that the "**1000 Local Jobs**" initiative will benefit all providers within the VET sector and the general community as a whole. We also feel that this program can achieve great results with its innovation, support and inclusion of all key stake holders. MEGT Apprenticeship Centres will add value to all parties by way of information and facilitation of Australian Apprenticeships and Traineeships including incentive funding, training package information and pastoral care until the completion of all training contracts under our management.

We look forward to the success of this program and commit to supporting all stake holders in achieving and celebrating the results over the coming months.

Kind Regards

Rob Maxwell
